Feeding Children, Families & Seniors

- **Backpack Program** – This program serves the neediest children in our schools. Children receive a bag of food every Friday to sustain them through the weekend.
- **School Pantry Program** – These pantries are safe places within a local school where students and their families are able to access food items stocked directly from our warehouse.
- **Partner Agencies** – River Bend Foodbank has 300 agency partners serving 23 counties in eastern Iowa and western Illinois.
- **Mobile Food Pantries** – These pantries are held multiple times each month and travel to the locations in our service area where the need is greatest. Each Mobile Food Pantry distribution provides around 10,000 meals and feeds hundreds of individuals.
- **Senior Pantry Program** – River Bend Foodbank has established senior food pantries in several low-income senior apartment complexes.
- **Senior Hunger Initiative** – Boxes of fresh produce are delivered with the help of our volunteers to seniors in low-income elderly housing.
- **Student Hunger Drive** – A leadership development program that engages high schoolers in collecting food and funds for hungry people.
