Independent Auditors' Report

Board of Directors River Bend Food Reservoir d/b/a River Bend Food Bank Davenport, Iowa

Opinion

We have audited the accompanying financial statements of River Bend Food Reservoir d/b/a River Bend Food Bank (a not-for-profit organization), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of River Bend Food Reservoir d/b/a River Bend Food Bank as of June 30, 2022 and 2021, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of River Bend Food Reservoir d/b/a River Bend Food Bank and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Anders Minkler Huber & Helm LLP | 800 Market Street-Suite 500 | St. Louis, MO 63101-2501 | p (314) 655-5500 | f (314) 655-5501 | www.anderscpa.com

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about River Bend Food Reservoir d/b/a River Bend Food Bank's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of River Bend Food Reservoir d/b/a River Bend Food Bank's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about River Bend Food Reservoir d/b/a River Bend Food Bank's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. The Illinois Consolidated Year-End Financial Report is presented for purposes of additional analysis and is also not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 28, 2022, on our consideration of River Bend Food Reservoir d/b/a River Bend Food Bank's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and the results of that testing, and not to provide an opinion on the effectiveness of the River Bend Food Reservoir d/b/a River Bend Food Bank's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering River Bend Food Reservoir d/b/a River Bend Food control over financial reporting and compliance.

Noncash Investing and Financing Activities

During the years ended June 30, 2022 and 2021, the Organization acquired property and equipment of \$487,659 and \$108,811, respectively, using capital leasing arrangements. During the year ended June 30, 2021, the Organization traded in a leased asset with value of \$86,626 for a different leased asset.

1. Nature of Operations and Basis of Presentation

Organization

River Bend Food Reservoir d/b/a River Bend Food Bank (the "Organization"), is a notfor-profit organization established in 1982 to collect donations of wholesome food from the food industry for distribution to more than 300 charitable community organizations that support the hungry in 23 counties in western Illinois and eastern Iowa.

Basis of Presentation

The accompanying financial statements have been prepared in accordance with the provisions of the Financial Accounting Standards Board ("FASB"), Accounting Standards Codification (the "FASB ASC"), which is the source of authoritative, non-governmental accounting principles generally accepted in the United States of America ("GAAP"). All references to authoritative accounting guidance contained in our disclosures are based on the general accounting topics within the FASB ASC.

Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified into two categories of net assets, as applicable, and reported as follows:

<u>Net assets without donor restrictions</u> - Net assets that are not subject to donor-imposed stipulations. Board designated funds are established by the Board of Directors and represent net assets without donor restrictions that have been set aside to help ensure the long-term financial stability of the Organization.

<u>Net assets with donor restrictions</u> - Net assets subject to donor-imposed stipulations that may be satisfied by specific activities or the passage of time, or are required to be maintained in perpetuity by the Organization. The income earned on any related investments may be subject to donor-imposed restrictions.

2. Summary of Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Fair Value Measurements

The Organization follows guidance issued by the FASB on fair value measurements, which establishes a framework for measuring fair value, clarifies the definition of fair value within that framework, and expands disclosures about the use of fair value measurements. This guidance applies whenever fair value is the applicable measurement. The three general valuation techniques used to measure fair value are the market approach, cost approach, and income approach.

Cash and Cash Equivalents

The Organization considers all short-term investments with an original maturity of three months or less at the time of purchase to be cash equivalents.

Investments

The Organization carries investments at fair value with unrealized holding gains and losses included in earnings. Realized gains and losses are included in earnings and are derived using primarily the specific identification method for determining the cost of securities sold. Dividend and interest income is recognized when earned.

Accounts Receivable

Accounts receivable are uncollateralized obligations due primarily for shared maintenance fees from member agencies under normal trade terms generally requiring payment within 30 days of the invoice date.

The Organization provides an allowance for doubtful accounts equal to the estimated losses that will be incurred in the collection of accounts receivable. This estimate is based on historical experience coupled with a review of the current status of existing receivables. The allowance and associated accounts receivable are reduced when the receivables are determined to be uncollectible. The allowance for doubtful accounts totaled \$2,652 and \$2,362 as of June 30, 2022 and 2021, respectively.

Grants Receivable

Grants receivable includes amounts due from various funding sources under binding contracts with the Organization for services rendered prior to year-end.

Unconditional Promises to Give

Unconditional promises to give due in the next year are recorded at their net realizable value. Unconditional promises to give due in subsequent years are reported at the present value of their net realizable value using risk-free interest rates applicable to the years in which the promises are to be received.

The Organization provides an allowance for doubtful promises to give equal to the estimated losses that will be incurred in the collection of unconditional promises to give. This estimate is based on historical experience coupled with a review of the current status of existing promises. The allowance and associated promises are reduced when the promises are determined to be uncollectible. The allowance for doubtful promises to give totaled \$38,143 as of June 30, 2022. There was no allowance for doubtful promises to give for the year ended June 30, 2021.

Inventory

The Organization's inventory consists of donated food items, USDA product, and purchased product. The donated products received and distributed by the Organization have been valued and recorded in the accompanying financial statements in accordance with the FASB's guidance on accounting for contributions received and contributions made. Donated products are valued at fair value using product distribution pricing guidelines provided by Feeding America, a national consortium of regional food banks. The estimated fair value prices per pound of \$1.92 and \$1.53 were used in determining general donated and federal government donated product, respectively, as of and for the year ended June 30, 2022. The estimated fair value prices per pound of \$1.79 and \$1.70 were used in determining general donated and federal government donated and federal government donated product, respectively, as of and for the year ended June 30, 2021.

Property and Equipment

Property and equipment acquisitions with a life of 3 years or greater and a cost in excess of \$3,000 are capitalized and recorded at cost, while maintenance and repairs are expensed as incurred. Donated assets are recorded at fair value at the date of donation. Such donations are reported as increases in net assets without donor restrictions unless the donor has restricted the donated asset to a specific purpose or period of time. When assets are sold or otherwise disposed of, the related cost and accumulated depreciation and amortization are removed from the accounts. Any gain or loss arising from such disposition is included as income or expense in the year of disposition.

Depreciation and amortization is computed using straight-line and accelerated methods over the estimated useful lives of the assets.

The estimated lives for computing depreciation and amortization on property and equipment are:

Classification	Years
Building and improvements	5-40
Warehouse equipment	5-20
Vehicles	5-10
Office equipment	5-7
Vehicles under capital leases	6

Long-Lived Asset Impairment

The Organization evaluates the recoverability of the carrying value of long-lived assets whenever events or circumstances indicate the carrying amount may not be recoverable. If a long-lived asset is tested for recoverability and the undiscounted estimated future cash flows expected to result from the use and eventual disposition of the asset are less than the carrying amount of the asset, the asset cost is adjusted to fair value and an impairment loss is recognized as the amount by which the carrying amount of a long-lived asset exceeds its fair value. No asset impairment was recognized during the years ended June 30, 2022 and 2021.

Endowment Fund

In 2015, the Board of Directors approved the establishment of an Endowment Fund (the "Endowment") to provide a continuous source of income to support the Organization's mission.

The State of Iowa has enacted the State Prudent Management of Institutional Funds Act ("the SPMIFA"). The Organization follows FASB guidance on accounting for the net assets classification of endowment funds for a not-for-profit organization that is subject to the enacted version of the SPMIFA. The Organization has determined that the Endowment meets the definition of endowment funds under the SPMIFA.

The Organization has interpreted the SPMIFA as requiring the preservation of the original gift amount. As a result of this interpretation, the Organization classifies as net assets with donor restrictions the original value of gifts donated to the Endowment to be held in perpetuity. There are no gifts with donor imposed restrictions included in the Endowment. The funds contributed by the Organization are included in net assets without donor restrictions as board designated. These funds may be appropriated for expenditure by the Board of Directors in a manner consistent with the standard of prudence prescribed by the SPMIFA.

Support and Revenue

Contributions are recorded as received, and unconditional promises to give are recorded as the promise is made. All contributions are available for general activities unless specifically restricted by the donor. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Contributions with donor restrictions in which the restrictions are met within the same year as received are reported as contributions without donor restrictions in the accompanying financial statements.

Government contracts are generally recognized as income in the period that specific services are provided.

Donated Materials and Services

Donated noncash assets are recorded as contributions at their fair values at the date of donation. Significant food products, services, and materials are donated to the Organization by various individuals, organizations, and state governments.

Donated services are recognized as contributions if the services create or enhance nonfinancial assets or require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Volunteers provided various services throughout the year that are not recognized as contributions in the financial statements since the recognition criteria were not met.

Functional Expense Allocation

The costs of program services and supporting activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the program services and supporting activities benefited.

Income Taxes

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the "Code"), except on net income derived from unrelated business activities as defined in the Code. Accordingly, the Organization files as a tax exempt organization.

The Organization follows guidance issued by the FASB on accounting for income taxes and has evaluated its tax positions, expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings, and believes that no provision for income taxes is necessary to cover any uncertain tax positions. The Organization's returns for tax periods 2018 and later remain subject to examination by taxing authorities.

Subsequent Events

The Organization has evaluated subsequent events through October 28, 2022, the date the financial statements were available to be issued.

Recent Accounting Pronouncements

Leases

The FASB has issued new guidance on the recognition of lease assets and lease liabilities by lessees for those leases previously classified as operating leases. The guidance requires a lessee to recognize in the statement of financial position a liability to make lease payments and a right-of-use asset representing its right to use the underlying asset for the lease term. When measuring assets and liabilities arising from a lease, a lessee (and a lessor) should include payments to be made in optional periods only if the lessee is reasonably certain to exercise an option to extend the lease or not to exercise an option to terminate the lease. Similarly, optional payments to purchase the underlying asset should be included in the measurement of lease assets and lease liabilities only if the lessee is reasonably certain to exercise that purchase option. For leases with a term of 12 months or less, a lessee is permitted to make an accounting policy election by class of underlying asset not to recognize lease assets and lease liabilities. If a lessee makes this election, it should recognize lease expense for such leases generally on a straight-line basis over the lease term. The recognition, measurement, and presentation of expenses and cash flows arising from a lease by a lessee have not significantly changed from previous GAAP. There continues to be a differentiation between finance leases and operating leases. However, the principal difference from previous guidance is that the lease assets and lease liabilities arising from operating leases should be recognized in the statement of financial position. The quidance will be required for the first fiscal year beginning after December 15, 2021. Based on a preliminary analysis, the Organization does expect the new guidance will have a significant impact on its financial statements.

3. Change in Accounting Principle

During the year ended June 30, 2022, the Organization changed its method of presentation and disclosure of contributed nonfinancial assets in accordance with Accounting Standards Update ("ASU") 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. The major changes associated with ASU 2020-07 are to present contributed nonfinancial assets as a separate line item on the statement of activites and enhanced disclosures to include a disaggregation of the total amount of contributed nonfinancial assets recognized within the statement of activities by category. Adoption of ASU 2020-07 had a significant impact on the Organization's financial statements.

4. Fair Value Measurements

The framework for measuring fair value establishes a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value into Levels 1, 2, and 3. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical instruments in active markets.
- Level 2 Inputs to the valuation methodology to include quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in inactive markets, inputs other than quoted prices that are observable for the instrument, or inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The instruments' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for instruments measured at fair value:

- Level 1 Instruments consist of publicly traded common stocks and mutual funds. These securities are traded on national exchanges and are stated at the last reported sales price on the day of valuation.
- Level 2 Instruments consist of certificates of deposit, government and agency obligations, and unit investment trusts. These securities are valued using evaluated pricing, which incorporates modeling techniques, information from extensive market sources, observed transaction data, credit quality information, perceived market movements, news, and other relevant information.

The following table presents the fair value measurements of instruments recognized in the accompanying statements of financial position measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements are categorized at June 30, 2022 and 2021:

				20)22			
	Fair Value Measurements							
		Total		Level 1		Level 2		Level 3
Investments:

Unit investment trusts		2,598,174		(277,992)		2,320,182			
Endowment fund		<u>878,786</u>		(142,535)		736,251			
	\$	4,121,876	\$	(383,772)	\$	3,738,104			

	2021							
		Cost		Unrealized Gains		Fair Value		
Certificates of deposit Equity mutual funds Common stock Unit investment trusts Endowment fund	\$	129,956 56,801 522,516 2,096,952 211,212	\$	37,192 162,141 285,335 36,702	\$	129,956 93,993 684,657 2,382,287 247,914		
	\$	3,017,437	\$	521,370	\$	3,538,807		

Investment income for the years ended June 30, is summarized as follows:

	 2022	 2021
Interest and dividend income Net realized and unrealized gains (losses) on investments reported	\$ 135,932	\$ 83,554
at fair value	(653,010)	 764,621
Total Investment Income (Loss)	\$ (517,078)	\$ 848,175

6. Unconditional Promises to Give

Unconditional promises to give at June 30, are as follows:

		2022	 2021
Less than one year One to five years	\$	451,622 451,234	\$ 817,904 20,240
	\$	902,856	\$ 838,144
Less:			
Allowance for uncollectible contributions		38,143	 -
Total unconditional promises to give	<u>\$</u>	864,713	\$ 838,144

Unconditional promises to give due in more than one year are reflected at the present value of estimated future cash flows using a discount rate of 5.5 percent and 3.25 percent at June 30, 2022 and June 30, 2021, respectively. The amounts are classified on the statement of financial position as follows:

	 2022	 2021
Unconditional promises to give - current	\$ 451,622	\$ 817,904
Unconditional promises to give - long-term	 451,234	 20,240
	\$ 902,856	\$ 838,144

7. Inventory

The Organization distributes products to more than 300 social service agencies for use in their food distribution and on-site serving programs. The Organization distributes USDA product primarily through The Emergency Food Assistance Program ("TEFAP") in Iowa and Illinois. During the year ended June 30, 2021, the Organization also distributed additional product through the Coronavirus Food Assistance Program ("CFAP"). Food products distributed, in pounds, during the years ended June 30, are as follows:

	2022	2021
Donated products Purchased products Iowa USDA (TEFAP) Illinois USDA (TEFAP) CFAP	13,355,070 1,740,658 2,179,885 3,357,071	14,452,281 1,875,564 2,795,140 3,905,213 3,921,197
	20.632.684	26.949.395

Inventory as of June 30, is as follows:

	20	22	2021	
	Pounds	Amount	Pounds	Amount
Donated products	558,214	\$ 1,006,801	938,716	\$ 1,613,119
Purchased products	847,229	866,628	863,070	726,198
lowa USDA (TEFAP)	72,320	129,453	327,532	568,509
Illinois USDÀ (TEFAP)	194,911	350,655	154,271	268,432
· · · · ·	1,672,674	\$ 2,353,537	2,283,589	\$3,176,258

8. Grants Receivable

Grants receivable at June 30, are as follows:

	 2022	 2021
Iowa Department of Human Services (TEFAP)	\$ 	\$ 58,201
Illinois Department of Human Services (TEFAP)	 <u>300,501</u>	 <u>139,732</u>
	\$ 300,501	\$ 197,933

9. **Property and Equipment**

Property and equipment at June 30, is as follows:

	2022			2021
Land Building and improvements Warehouse equipment Vehicles	\$	307,510 3,818,608 1,094,146 418,911	\$	307,510 3,817,759 1,059,315 393,115
Office equipment		206,385		195,013
Vehicles under capital leases		1,190,460		967,801
Construction in progress		1,264,980		47,214
		8,301,000		6,787,727
Less accumulated depreciation and amortization		2,179,364		1,958,207
	<u>\$</u>	<u>6,121,636</u>	<u>\$</u>	4,829,520

Depreciation and amortization expense was \$486,158 and \$454,065 for the years ended June 30, 2022 and 2021, respectively.

10. Long-term Debt

Long-term debt at June 30, is as follows:

	2022	2021
Note payable, monthly principal and interest payments of \$225 beginning in October 2017, annual interest of 6.10%, maturing in September 2022.	\$ 1,311	\$ 5,040
Note payable, monthly principal and interest payments of \$225 beginning in October 2017, annual interest of		
3.90%, maturing in September 2022.	1,312	5,087
	2,623	10,127
Less current maturities	2,623	5,192
	\$-	\$ 4,935

Maturities of long-term debt as of June 30, 2022 are as follows:

<u>June 30,</u>	
2023	\$ 2,623

11. Liquidity and Availability of Financial Assets

The following reflects the Organization's financial assets as of June 30, reduced by amounts not available for general use within one year because of contractual or donorimposed restrictions or internal designations. Amounts available include the Boardapproved appropriations from the Endowment for the following year as well as donorrestricted amounts that are available for expenditure in the following year. Amounts not available include amounts set aside for operating and other reserves that could be drawn upon if the Board approves that action.

		2022	 2021
Cash and cash equivalents	\$	10,511,900	\$ 8,982,614
Operating investments		3,738,104	3,538,807
Accounts receivable, net		140,335	424,798
Unconditional promises to give		451,622	817,904
Long term unconditional promises to give, net		413,091	20,240
Grants receivable		300,501	197,933
Contractual, internal, or donor-imposed restrictions:			
Donor restrictions		(3,932,980)	(2,455,441)
Board designations		(1,736,251)	 (1,247,914)
Financial Assets Available to Meet Cash Needs			
for Expenditures Within One Year	<u>\$</u>	9,886,322	\$ 10,278,941

The Organization has certain board designated and donor-restricted assets limited to use which are available for general expenditure within one year in the normal course of operations. Accordingly, these assets have been included in the qualitative information above. Additionally, certain other board designated assets are designated for future capital expenditures and an operating reserve.

The Organization's endowment funds consist of funds designated by the board as endowments. The board designated endowment of \$736,251 does not yet have a spending rate formula. Although the Organization does not intend to spend from this board designated endowment (other than amounts appropriated for general expenditure as part of the Board's annual budget approval and appropriation), these amounts could be made available, if necessary.

The Organization's primary sources of support are consumable product donations, contributions, government grants, and investment income. Some support is required to be used in accordance with the purpose restrictions imposed by the donors. As part of a liquidity management plan, the Organization invests excess cash in short-term investments such as CDs.

12. Net Assets with Donor Restrictions

Net assets with donor restrictions are restricted for the following purposes at June 30,:

	 2022		2021
Backpack Program	\$ -	\$	30,663
Capital Campaign	3,715,270		2,007,064
Capacity Building	-		102,037
Pantry 2 Porch	201,773		223,751
SNAP	9,937		55,000
Other	 6,000		36,926
	\$ 3,932,980	\$	2,455,441

Net assets totaling \$764,609 and \$993,089 were released from donor restrictions during the years ended June 30, 2022 and 2021, respectively, as a result of collection of unconditional promises to give and use of funds for their restricted purposes.

13. Endowment Funds

The Organization has adopted investment and spending policies, approved by the Board of Directors, for Endowment assets that attempt to provide a predictable stream of funding to the Organization, while also maintaining the purchasing power of those Endowment assets over the long-term. Disbursements, other than amounts to pay investment fees, require the approval of the Board of Directors. The Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted Endowment funds:

- The duration and preservation of the fund
- The purposes of the Organization and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Organization
- The investment policies of the Organization

Endowment funds at June 30, are as follows:

	2022				
	Without Donor Restrictions	With Donor Restrictions		Total	
Board designated Endowment	<u>\$ 736,251</u>	<u>\$ -</u>	\$	736,251	
		2021			
	Without Donor Restrictions	With Donor Restrictions		Total	

Changes in endowment net assets for the years ended June 30, are as follows:

	2022				
	Without Donor Restrictions	With Donor Restrictions	Total		
Endowment net assets, beginning of year Contributions Investment income, net of fees Net appreciation (depreciation) Endowment net assets, end of year	\$ 247,914 620,016 10,856 (142,535) \$ 736,251	\$ - - - - \$ -	\$ 247,914 620,016 10,856 (142,535) \$ 736,251		
		2021			
	Without Donor <u>Restrictions</u>	2021 With Donor Restrictions	Total		
Endowment net assets, beginning of year Contributions Investment income, net of fees Net appreciation Endowment net assets,	Donor	With Donor	Total \$ 92,493 113,427 5,292 36,702		

The Organization has not yet adopted a spending rate formula.

14. Agreements and Contracts

The Organization has primary responsibility for warehousing, handling, and distributing USDA-donated foods under TEFAP and Trade Mitigation within its Iowa and Illinois service territories. The Organization receives grants from the Iowa Department of Human Services and Illinois Department of Human Services to offset certain operating expenses incurred in the distribution of the food. The donated foods received by the Organization under TEFAP and Trade Mitigation are distributed to food pantries and on-site serving centers.

In addition, the Organization has responsibility for warehousing, handling, repackaging and distributing USDA-donated and other foods under Temporary Assistance for Needy Families programs. The Organization receives grants through the Illinois Department of Human Services to offset certain expenses incurred in the repackaging and distribution of this food.

15. Retirement Plan

The Organization maintains a contributory retirement savings plan under Section 403(b) of the Code. The plan covers employees that meet certain eligibility requirements. Employees may make discretionary contributions to the plan through payroll deductions up to the maximum amount allowed by the Code. There are no employer contributions to the plan.

The Organization also maintains a Simplified Employee Pension Plan ("SEP") for its fulltime employees. The SEP covers employees that meet certain eligibility requirements. The SEP is funded monthly in an amount equal to 3 percent of the covered employees' wages for years of service 1-3, 4 percent of the covered employees' wages for years of service 5-9, and 5 percent of the covered employees' wages for 10 or more years of service. Employer contributions to the SEP were \$39,151 and \$35,577 for the years ended June 30, 2022 and 2021, respectively.

16. Affiliate Agreement

The Organization is a member in the national network of Feeding America through an Affiliate Contract that is in place. The Affiliate Contract establishes the Organization's exclusive service area and sets forth a variety of compliance requirements. Dues are remitted to Feeding America by the Organization based on a formula defined in the agreement.

17. Contributed Nonfinancial Assets

For the years ended June 30, contributed nonfinancial assets recognized within the statements of activities included:

	2022	2021
Consumable Product Donations	<u>\$ 32,737,239</u>	<u>\$ 42,744,944</u>

The Organization recognized contributed nonfinancial assets within revenue as consumable product donations. Unless otherwise noted, contributed nonfinancial assets did not have donor-imposed restrictions. The Organization's policy for donated products to be valued at fair value using product distribution pricing guidelines provided by Feeding America, a national consortium of regional food banks, as described in Note 2.

18. **Risks and Uncertainties**

Concentration of Credit Risk

Financial instruments, which potentially subject the Organization to concentrations of credit risk, consist principally of cash and cash equivalents, receivables, and investments. The Organization maintains its cash primarily with four financial institutions. Deposits at these banks are insured by the Federal Deposit Insurance Corporation up to \$250,000. At June 30, 2022, there were cash balances of \$217,617 in excess of federally insured limits at one bank. The Organization utilizes repurchase agreements as part of its cash management policy and has a secured interest in the underlying securities backing these deposits.

The Organization performs ongoing credit evaluations of its customers and maintains allowances, as needed, for potential credit losses. Although the Organization is directly affected by the financial stability of its customer base, management does not believe significant credit risk exists at June 30, 2022. The Organization maintains its investments primarily with one brokerage firm. Securities held at this firm are insured by the Securities Investor Protection Corporation up to \$500,000. As of June 30, 2022, there were investment balances of \$2,371,761 in excess of SIPC limits at the brokerage firm. The brokerage firm provides insurance to cover investment balances in excess of SIPC limits up to \$250 million.

Investments

The Organization invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the accompanying statements of financial position.

19. Commitments and Contingencies

Leases

The Organization leases vehicles and equipment under noncancellable operating and capital leases. Future minimum lease payments at June 30, 2022, are as follows:

	 Capital Leases	(Operating Leases
2023 2024	\$ 212,213 190,404	\$	1,304
2025 2026	190,404 158,196		-
2027 Thereafter	 113,006 155,050		-
Implied interest Present value of future minimum payments	 1,019,273 <u>191,361</u> 827,912	<u>\$</u>	1,304
Less current maturities Long-term capital lease obligation	\$ <u>155,001</u> 672,911		

The capital leases require monthly payments of \$22,115 and \$14,541 as of June 30, 2022 and 2021, respectively. The leased assets totaled \$1,190,460 and \$967,801 as of June 30, 2022 and 2021, respectively. Amortization expense for the years ended June 30, 2022 and 2021 was \$171,497 and \$157,059, respectively. At June 30, 2022 and 2021, accumulated amortization related to capital leased assets totaled \$431,966 and \$546,864, respectively.

Rent expense related to operating leases for the years ended June 30, 2022 and 2021 totaled \$1,956.

River Bend Food Reservoir d/b/a River Bend Food Bank Notes to Schedule of Expenditures of Federal Awards Year Ended June 30, 2022

1. Basis of Presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal grant activity of River Bend Food Reservoir d/b/a River Bend Food Bank (a not-for-profit organization) (the "Organization") under programs of the federal government for the year ended June 30, 2022. The information in this Schedule is presented in accordance with the requirements of the Uniform Guidance. Because the Schedule presents only a selected portion of operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

2. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Organization elected to use the 10 percent de minimis indirect cost rate for fiscal year 2022.

Pass-through entity identifying numbers are presented where available.

3. Assistance Provided to Subrecipients

Non-monetary assistance is reported in the Schedule at the fair value of commodities. Of the federal expenditures presented in the Schedule, the Organization provided nonmonetary federal awards to subrecipients as follows:

Illinois Department of Human Services	\$ 5,952,085
Iowa Department of Human Services	 3,884,196
	\$ 9,836,281

No monetary federal awards were provided to subrecipients.

4. Inventory

Government commodities stated at fair value included in inventory at June 30, 2022 are as follows:

Illinois Department of Human Services	\$ 350,655
Iowa Department of Human Services	129,453
	\$ 480,108

River Bend Food Reservoir d/b/a River Bend Food Bank Notes to Schedule of Expenditures of Federal Awards Year Ended June 30, 2022

5. Federal Insurance and Loan Programs

The Organization had no federal insurance programs in effect and no loan or loan guarantee programs outstanding during the year ended June 30, 2022.

6. Relationship to Basic Financial Statements

Federal awards included in the accompanying Schedule excluding federal awards of food commodities are reported as government grants support and revenue in the Organization's basic financial statements. Federal awards of food commodities included in the accompanying Schedule are reported as consumable product donations/receipts support and revenue in the Organization's basic financial statements.

Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed In Accordance With *Government Auditing Standards*

Board of Directors River Bend Food Reservoir d/b/a River Bend Food Bank Davenport, Iowa

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of River Bend Food Reservoir d/b/a River Bend Food Bank (a not-for-profit organization) (the "Organization"), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 28, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report on Compliance for Each Major Federal Program and on Internal Control Over Compliance Required by the Uniform Guidance

Board of Directors River Bend Food Reservoir d/b/a River Bend Food Bank Davenport, Iowa

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited River Bend Food Reservoir d/b/a River Bend Food Bank's (a not-for-profit organization) (the "Organization") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on the Organization's major federal program for the year ended June 30, 2022. The Organization's major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of River Bend Food Reservoir d/b/a River Bend Food Bank and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization's federal programs.

Auditors' Responsibility for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on River Bend Food Reservoir d/b/a River Bend Food Bank's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about River Bend Food Reservoir d/b/a River Bend Food Bank's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding River Bend Food Reservoir d/b/a River Bend Food Bank's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of River Bend Food Reservoir d/b/a River Bend Food Bank's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of River Bend Food Reservoir d/b/a River Bend Food Bank's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiencies, in internal control over compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiencies, in internal control over compliance is a deficiencies, in internal control over compliance is a deficiency or a combination of deficiencies, in internal control over compliance is a deficiency, or a combination of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that we deficiencies in internal control over.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
